Student Assistant (m/f/d) for Outreach and Communications

Dear Students,

We at HeiGIT are looking for a student assistant (15 h/week) for Outreach and Communications starting on October 1st, 2025.

Your tasks will mostly consist of content creation for our blogs, events, and social media in English and German. Other PR-related tasks (e. g. event organization, website and design tasks) may also be among the tasks.

Expertise:

- Experience with or interest in Social Media (Twitter, LinkedIn, Mastodon, Bluesky), blogging or journalism
- Background or interest in geography, environmental topics, GIScience, or computer science
- Fluency in written and spoken English
- Fluency in written and spoken German
- Optional: Experience with graphic design (InDesign) and/or with website content (WordPress)
- Flexibility and independence

Benefits:

- Flexible working hours
- Creative work with insights into working with GIS applications
- University-related work for a charitable purpose

Please submit your meaningful application by latest August 10th, 2025 on our application portal:

<https://short.sg/a/58075992>.

We are looking forward to your application and are happy to answer any further questions you may have.
